## **Recreational Facilities Behavior Policy**

The Muirfield Association, Inc. (the “Association”) wishes to provide safe recreational space for its residents and guests at the common element recreational facilities, including the pool, pool area, splash area, and tennis courts. Disrespectful behavior, such as vulgarity, discrimination, harassment of any kind, loitering, intoxication, theft, and all other actions that negatively impact our community and the neighborhood environment will not be tolerated and may result in ejection or suspension from the recreational facilities. Any lifeguards, staff, owners, residents, contractors, and guests are strongly encouraged to report any and all such disrespectful behavior to management.

The Association’s general manager, assistant general manager, pool managers and supervisors have the right, in their sole discretion and judgment, to deny admission to, or eject from, the recreational facilities, any person that 1) violates posted rules, 2) disregards directions from lifeguards, other pool personnel, Association personnel, or law enforcement, or 3) exhibits or demonstrates vulgar language, intoxication, harassment, discrimination, or other conduct or language that negatively impact the community recreational experience. Any such admission denial or ejection will be reported to the Association’s general manager, who will refer the matter to the Association’s Board of Directors (the “Board”) for additional enforcement action, if any.

The Board may, in its sole discretion, suspend the pool privileges of any person, whether an owner, resident, or guest, who violates this policy. If the Board suspends such privileges, the lot owner will be notified in writing, and the owner is entitled to a hearing with the Board to contest the privilege suspension. To request a hearing, the owner must deliver a written notice to the Board within ten days of being notified by the Board of the privilege suspension. If an owner requests a hearing, the Board will provide the owner with a written notice that includes the hearing’s date, time, and location at least seven days prior to the hearing. The Board will then render its final decision on the matter within seven days following the hearing’s conclusion. If an owner fails to make a timely request for a hearing, the right to that hearing is waived, and the Board may immediately impose the privilege suspension.
