

The following residents have been nominated to serve on the Muirfield Association Grounds & Facilities Committee for a 3-year term.

GROUND & FACILITIES COMMITTEE NOMINEES

Pam Ellinger*
Lonnie McLaughlin*
Ray DiRossi

**incumbent*

The nominees have submitted the following biographical sketches:

PAM ELLINGER – 5215 ARYSHIRE DRIVE

Pam has been a resident of central Ohio for fifty years and is a graduate of The Ohio State University. She and her husband, Jim McGrady, moved to Dublin in 1990 and into Muirfield Village during 1997. Pam is a retired certified public accountant. Her experience includes 12 years in public accounting with Ernst & Young and 8 years as the chief financial officer for a large local company. Jim is also retired. He was the chief executive officer for Retail Ventures, Inc.

Pam currently serves on the Grounds & Facilities Committee. She currently serves as the secretary for the Garden Club of Ohio and as the treasurer for the Muirfield Village Garden Club. She is a past treasurer of the Greater Columbus Council of Garden Clubs, a past president of the Muirfield Village Garden Club and past president of the Dublin Arts Council.

Pam believes that it is the responsibility of the Association Board to assist our community in facing its new challenges; foreclosures and reduced property values. We must continue to encourage existing homeowners to update and maintain their homes and landscaping.

We must continue to maintain and improve our community so that we can successfully compete for potential homebuyers. She believes that this can be accomplished while remaining fiscally responsible.

LONNIE McLAUGHLIN - 5808 TARTON CIRCLE NORTH

My wife Lynne and I have lived in or around Dublin for over twenty-one years and been residents of Muirfield for six years. I am retired from the military and from American Airlines.

I believe that for Muirfield Village to be a good neighborhood, we must all work to be good neighbors. Little things such as throwing you neighbors paper up their driveway when you get yours, or leading a hand to each other when needed are just a couple of ways to be more neighborly. Volunteering for the benefit of the neighborhood is another way to be a good neighbor.

I have enjoyed volunteering on the Grounds & Facilities Committee throughout the last several years and look forward to continuing my input as a member of the committee. Thank you for your support.

RAY DiROSSI – 5732 SPRINGBURN DRIVE

My wife, Jennifer, and our family have lived in Muirfield since late in 2005. Our two children attend Dublin Jerome High School and Grizzell Middle School. When it was time, more than a decade ago, to move from another Columbus suburb, Muirfield was the obvious answer. The reasons that led us here are the same reasons why I want to volunteer on the Grounds and Facilities Committee – a beautiful vibrant community with great people, great history and tremendous possibilities.

I work downtown at the statehouse where I have spent the better part of the last 25 years in and around our state government. My work has primarily focused on state operating and capital budgeting as well as fiscal and tax policy. I am always looking to find ways to apply what I've learned for the benefit of Muirfield.

For the better part of the last five years, I have also served on the Muirfield Village Civic Association, volunteering with a number of other dedicated people helping to spread the word about many of the great activities and amenities associated with the Village to our existing and new residents. I am a user of the numerous bike paths and trails and look forward to adding another voice to assist the Board with the task of preserving and enhancing these natural areas.
