BLACK & TAN 2014: THANK YOU MUIRFIELD VILLAGE CIVIC ASSOCIATION

What a wonderful evening! The sky was clear, the air was warm, the golf course was green and the guests at the 2014 Black & Tan were enjoying all that plus great music and food.

The “True Meaning of Community” was demonstrated during the event with more than 100 guests in attendance. MVCA will donate \$9,000 to Welcome Warehouse from this year’s event.

Without the support of the community and organizations such as MVCA, Welcome Warehouse would not be able to serve those in our community who are in need. This event not only helped raise funding to address the increasing needs of those in our community, it also raised awareness about the fact that these needs exist in our community.

Welcome Warehouse is a non-profit organization serving individuals and families living in the Dublin City School District who are in temporary need of assistance. The organization operates Dublin’s only Free Store, offering clothing, household goods and personal care items. They also sponsor a holiday Adopt-a-Family program, Emergency Household Financial Assistance program, a School Supply Outreach, and a Bed Donation Program. Welcome Warehouse served 1,534 persons in our community in 2013.

Since our incorporation in 2006, Welcome Warehouse has provided clothing, household goods and other assistance to thousands of Dublin-area families in need. Dublin City Schools’ guidance counselors, local pastors and other social service organizations refer families to Welcome Warehouse. Demand for services has increased significantly during the past few years.

Welcome Warehouse is a largely volunteer-driven organization, operating with minimal overhead expense. Each year, hundreds of volunteers work

CIVIC ACTION COMMITTEE Riviera Golf Club Update

Following an amazing turnout of 300 residents at a Dublin Planning and Zoning meeting a few months ago to express concerns about a developer’s plan to turn this nearby golf course into 285 homes, the developer is expected to have returned to P & Z asking for 248 homes on that plot. This has insiders shaking their heads saying that 248 homes was the original plan, since just a few days after the first hearing he was on the radio saying he would come back with a plan for 250 homes. In other words, he didn’t go back to the drawing boards with his team, taking into account all the feedback from the P & Z Members, to rethink the concept. In addition, the School District will not sell him some of the Jerome H.S. property to put an access road through to Hyland-Croy.

So the 9 homeowner and civic associations that have now come together to oppose the plan continue to meet. P & Z members and Council will be provided an analysis of how the Riviera plan fails to meet the 16 criteria by which the City evaluates proposed zoning changes. The effort to prevent overcrowding and re-districting in schools, higher taxes to support school population increases and for City services isn’t over. Stay tuned.

in the Free Store, sort donations, help with Adopt-a-Family, and organize collection drives. We consider all those in the Muirfield community true Friends of Welcome Warehouse and we look forward to an ongoing friendship and feel truly blessed to be serving a community such as ours. GIRLS ON THE RUN DEBUTS IN MUIRFIELD

On Sunday May 18th, eighteen Muirfield Girls in 3rd through 5th grade completed their first season of Girls On The Run (GOTR) at Deer Run Elementary by completing a celebratory 5 km run! This first season was a great success thanks to our parent volunteers, school support and all of the amazing girls bringing their energy and best attitudes each and every day.

The girls completed a 10-week program aimed at solidifying their feelings of self-confidence, identity and connectedness. They learned about making positive choices, valuing what makes us unique, and developing many more life skills that will carry them through their teen years. As part of the curriculum they were also required to complete a community service project. For this task, the girls chose to clean up litter and recycling in and around Deer Run, and to collect and donate books.

Along with the curriculum, the girls trained over the 10-week program for a 5 km race held by Girls On The Run of Franklin County. The race held at Columbus Commons connected hundreds of school-aged girls and their families from 44 other GOTR groups throughout Central Ohio. Each and every one of our girls finished the race with a smile! “We were so proud of their accomplishments”, said Muirfield Resident, **Megan LaRue**, who was actively involved in bringing the GOTR program to our community!

Megan said, “Our girls were completely empowered by the program. I heard them say things such as, I learned that you can do anything you set your mind to, it’s okay to

be yourself and express your feeling to others, I learned to run at my own pace, and I’m just plain awesome! These girls developed and fostered friendships from the program but most importantly developed confidence from within!”

Not only did the girls grow from the program but the coaches loved this program too. GOTR provides the curriculum and all materials, allowing coaches to focus our energy on the girls. We looked forward to every practice as the girls’ energy and joy was simply contagious; it is amazing to watch each smiling face come around the corner after each lap and say, “I did one more lap than I thought I could!”

We are looking forward to another great season this fall. If you think this is something your daughter might be interested in, registration opens in late August, at <http://girlsontherunfranklincounty.org/>. The fall season runs September 8th - November 14th.

RACKETS FOR RONALD

On Tuesday May 27th, over 40 women from Muirfield and neighboring communities came together to enjoy a morning filled with great tennis, friends & fun all in the efforts to raise money for a good cause at the Country Club of Muirfield Village (TCCMV) as part of the Memorial Tournament week festivities. In the first annual Rackets for Ronald, ladies of our community raised over \$5000 for which part of the proceeds will benefit our local Ronald McDonald House Charities of Central Ohio.

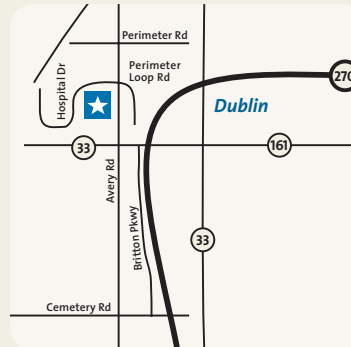

The day started with a continental breakfast, followed by several games of tennis and capped off with a luncheon and silent auction. Several local businesses, including The Morgan House, Harbor Yoga, Straders, Audacious, Koko Fit, Players Club and The Country Club at Muirfield helped make the silent auction a huge success with their generous donations.

“Not only were we able to have a perfect weather morning filled with friendship and good tennis, but we were able to provide growing support for those families in need,” said Muirfield Resident and co-organizer **Anne Clark**. For three decades, Ronald McDonald House Charities of Central Ohio (RMHC) has been serving families with seriously ill children by providing a home-away-from-home at the Columbus Ronald McDonald House. From its beginnings as a grassroots movement established by a partnership between volunteers and local McDonald’s Owner/Operators, the Charity has served thousands of families in their deepest times of need.

The vision for this event is to become Columbus-wide over several days, at multiple country clubs, with a celebratory lunch at The Bunker, located at TCCMV. We look forward to a growing number of women participating from within the community and surrounding neighborhoods at next years Rackets For Ronald!

Muirfield Good Neighborliness

Muirfield residents have recently done a stellar job of keeping garage doors closed and cars locked with valuables out of sight. Doing so has dropped that type of crime in Dublin from 52% of all crimes in Dublin to just 3% over the past few years. Here are a few more tips on how to keep money in your pocket and at the same time be a good neighbor and good citizen:

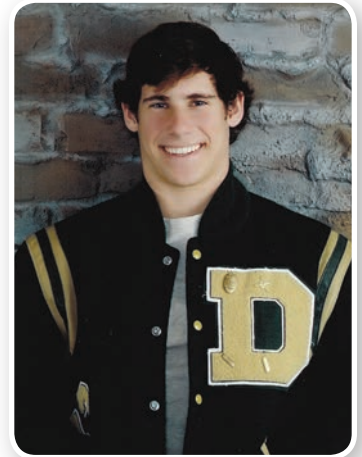

- Is it ok to walk your dog or ride your bike on either of the two golf courses if you don't see golfers on the course? Nope, never. That is trespassing, and homeowners and golfers along the course have recently been asked to call the Club pro shops to report violations. Things are much better at the Muirfield Golf Club course, though there have been many violators at The Country Club course. Both allow only members who are golfing to be on the property. Please remember that The Muirfield Association supplies us with 29 miles of shared use paths for us to walk our dogs, enjoy nature, or ride bikes. But the paths on the courses are private property only. Walking on the Courses is just like walking through your neighbor's back yard – not respectful. Trespassing fine: up to \$250, plus you must appear in court
- Ohio law requires that we stop for a pedestrian or bicyclist in a crosswalk, whether there are flashing lights or not. Think about the crosswalk on Glick Rd. at Carnoustie Dr., or on Dublin Rd. at the Brazenhead, or on Avery Rd. at St. Brigid, among many others we pass every day. Many Muirfield residents, especially kids, are using that Glick Rd. crosswalk to get to the pool, playground and tennis courts. If a person is standing there, they have a right to cross, or we have a right to a \$99 ticket!
- The speed limit on Muirfield Drive is 35 mph, but on Memorial between Avery Rd. and Muirfield Drive it is just 25 mph. Recent complaints to the Dublin Police Department about speeding, particularly on Memorial Dr., is leading to increased enforcement. Homes on Memorial west of Muirfield front the road. Those neighbors ask that we respect the speed limits, watch for kids and adults walking along the road. If you drive 35 mph in a 25 mph zone, you will pay \$109 for that lead in your right foot. Drive more than 20 mph over, and the fine will be \$159.
- By the time you read this you may be seeing construction to improve the intersection at Glick Rd. and Dublin Rd. Left turn lanes will be installed in all four directions, and the entire intersection will be lowered, to improve sight lines. Woo-ho! Finally! It will be complete by November. Keep in mind that fines double in construction areas when workers are present.

Let's be good neighbors, respect the rules, and keep Muirfield the outstanding community it is.

RESIDENT PROFILE

STEPHEN A. ROMANELLI

Stephen A. Romanelli was a 2013 graduate of Dublin Jerome High School whose life tragically ended prior to the start of his freshman year at The Ohio State University where he planned to study chemical engineering. Stephen graduated Summa Cum Laude, was a member of the National Honor Society, a CAP mentor, a Miracle League Buddy and an Ohio Capital Conference Scholar Athlete Award Winner. He was also a 4-year member, 3-year varsity, Jerome Football Player and 4-year member, 2-year varsity, Celtic Baseball Player.

For all of Stephen's scholastic and academic successes and accolades his true legacy comes from the person Stephen was and the impact he was able to have on others during his very short time with us. His contagious smile, that never seemed to leave him, and radiant spirit was felt throughout the Dublin community and beyond. He was a shout out in the hallway to a fellow student who he felt needed a friend, he was a spirited teammate always there to offer encouragement, he was a genuine caring friend, he was a loving son, brother and grandson.

Stephen's legacy is one of going beyond what is expected, it is one of truly understanding what is important, it is one of making a difference in someone else's life, it is one of knowing the power of a smile!

In Stephen's memory, Friends and family of the family have organized "the ROMO Memorial Golf Classic" which will benefit a scholarship fund. Three scholarships were awarded this past school year at Jerome.

The "ROMO" Golf Classic will be held on Saturday, July 19th at Darby Creek Golf Course starting at 1:00pm. For registration and sponsorship opportunities please visit www.sarmemorialfund.com.

SUMMER 14

President's Corner

Summer begins in Muirfield with the Memorial Golf Tournament and this year was no exception. We welcomed tournament week and enjoyed a full almost a full week of exceptional weather. The tournament is a rich tradition that signals the beginning of summer to many and an opportunity to showcase our beautiful and unique neighborhood to visitors attending the tournament.

After the mulch has been laid, the flowers planted, and the grass mowed and we have watched the golf, don't forget to explore the many amenities that Muirfield has to offer. We have new bike paths, wonderful tennis courts with a new tennis program, two beautiful pools, the Muirfins and Marlin swim teams, and ponds to fish in. There is truly something for everyone!

Summer is a good time to engage in one of the Civic Association clubs or committees such as the gardening club, empty nesters group, singles social group, family activities, civic action committee, or community service. Get involved for the greater good. Take the opportunity to volunteer and become involved in the community that you take so much pride in.

We are always looking for more volunteers to co-ordinate activities, host events and maintain programs. If you have never participated in a community event, meeting, dinner, or activity, it's okay, it's never too late to participate and get involved with the MVCA. It's a super way to meet new neighbors and get involved. Let us know if you would like to become more involved.

Just remember, summer goes by quickly, so get out there and take advantage of our beautiful neighborhood and don't forget to get involved!

THANK YOU – BOY SCOUTS UPDATE/THANK YOU

Cub Scout Pack 888, based out of Eli Pinney Elementary, wishes to thank those who donated to our annual neighborhood Scouting for Food 2013 food drive. Over 1025 pounds of canned and other non-perishable food items were collected for needy families. This year, all donations were sent to the Milford Center United Methodist Church food pantry, located in Union county between Plain City and Marysville. Union county is part of our Darby Creek scouting district. The Boy Scouts hold food drives across the country and across the world every November as part of their annual Scouting for Food initiative. Look for us again this November.

FAMILY ACTIVITIES

Easter Egg Hunt

Several families came out to enjoy the MVCA Annual Easter Egg Hunt on Saturday, April 12th. NESTER NUGGETS

Empty Nesters Saw The Full Monty

Eighteen Empty Nesters were wowed by Otterbein University's terrific theater production. The Empty Nesters attended the University's April 27th matinee performance of *The Full Monty*. It was an amazingly professional performance with strong vocals, lively dialogue and fun characters. We'll be on the lookout for future performances by this group of talented students. A casual dinner at the Westerville Old Bag of Nails followed the performance. Thanks to **Rita Johansen** for making the arrangements.

Royal Fun

On April 30th the Empty Nester Ladies traveled to the Cincinnati Museum Center to see the award-winning exhibition *Diana, A Celebration*, which chronicles the life of the late Diana, Princess of Wales. The exhibition presents the life and humanitarian work of Princess Diana through nine galleries containing 150 objects ranging from her royal wedding gown and 28 of her designer dresses to family heirlooms, personal mementos, paintings and rare home movies and photos. After visiting the Center the group traveled on to Jungle Jim's International Market. It's a must-stop for anyone who likes food! Thanks to **Marcia Bennett** for coordinating the fun day and thanks to Gina Fathman for being our chauffeur.

FAMILY ACTIVITIES:

SAVE THE DATE: MOVIES UNDER THE STARS

MVCA is please to bring back the popular "Movies Under the Stars" for the 10th consecutive summer. Gather up your friends and neighbors for this fun-filled night at the pool. Bring a towel, raft and your pool pass. We will provide a glow necklace for each child. The snack bar will be open as well.

This year we will be presenting "The Lego Movie" on Friday, July 18th. This original computer animated story follows Emmet, an ordinary, rules-following, perfectly average LEGO mini-figure who is mistakenly identified as the most extraordinary person and the key to saving the world. He is drafted into a fellowship of strangers on an epic quest to stop an evil tyrant, a journey for which Emmet is hopelessly and hilariously underprepared. The film is rated P.G.

The Glick Road pool entry starts at 9 p.m. with the movies starting at 9:30. Cost is \$1 for MVCA members and \$5 for non-members. Guests are welcome with a guest pass and cost is \$5. Check pool kiosks for more information.

TGIF PARTY

Summer TGIF. On Friday, August 8th, all MVCA Members are invited to a TGIF party at the home of **Bob and Gina Fathman**, 5805 Tarton Circle N. from 6:30 – 10:00 pm. Bring an appetizer and

any alcohol you'd like, and enjoy the beautiful views of a Muirfield pond from this home that was part of the Dublin Women's Club Tour of Homes in 2013. The home, the screened porch, the deck and the yard make for a great venue to meet and hang with your Muirfield neighbors. Should you have any questions, please contact Bob or Gina at rfathman@columbus.rr.com.

PET FAIR

The Dublin Pet Fair will be held on Sunday, September 21, 2014 from 1PM to 5PM at Coffman Park Pavilion (5568 Coffman Park Drive) in Dublin, OH. The purpose of the event is to raise awareness and funds for area animal rescues and animal shelters, and to provide an educational and entertaining event for the public.

Local veterinarians will be on hand to provide a microchip clinic, and the Dublin K-9 Unit will demonstrate their skills and training. Local agility groups and canine assistance programs will demonstrate what their dogs can do, and a canine parade with several contests for dogs and their humans will take place. A number of pet-related vendors will be showcasing their products and services, and a raffle and bake sale to benefit the rescues present will also take place. Admission is free.
