

PICKLEBALL

Pickleball is a fun game that is played on a small court with a net lowered to 34 inches at the center. It is played with a perforated plastic ball, similar to a whiffle ball, a wood or composite paddles. It is easy for beginners to learn, but can develop into a quick fast-paces, competitive game for experienced players.

Ideal for older adult, but fun for all ages!!

Monday	9AM-11AM	Holbrook Courts	Beginning in June
Thursday	9AM – 11AM	Holbrook Courts	Beginning in May
Saturday	9AM-11AM	Holbrook courts	Beginning in May
