

To: MUIRFIELD DESIGN CONTROL COMMITTEE

Application for: **Basketball Equipment Installation**

Date: _____ Lot #: _____ Phase # _____

Name: _____ Address: _____

Phone: _____ Email: _____

This application is presented to the Muirfield Design Control Committee (MDCC) to request approval for proposed changes affecting my lot. I understand that the Committee meets regularly, that they may take up to 30 days to respond to this request and will respond sooner, if possible. To expedite the process, please find enclosed 2 copies of this application, all relevant details and the design review fee. One copy of this application will be kept on file at the Association office and the other will be returned to me. I understand that approval is granted on a case-by-case basis. Pertinent parts of this application include:

- Site plan showing the location of the proposed basketball equipment installation
- Landscaping or trees used to screen or act as a barrier between neighboring properties must be identified on the site plan
- Photos of the area where the basketball unit will be located
- A brochure showing the proposed basketball equipment
- A written commitment that the basketball equipment color will be black, dark forest green, or painted the trim color of the home
- The design review fee payment of \$20.00
- Expected date of completion _____

My signature below certifies my commitment to comply with all the requirements as outlined in the Design Standards and on the Guidelines.

Owner Signature: _____ Date: _____

MUIRFIELD ASSOCIATION, INC. GUIDELINES FOR BASKETBALL EQUIPMENT INSTALLATION

The installation of all recreational equipment (play sets, trampolines, basketball equipment, swimming pools, tennis courts, spas or hot tubs etc.) requires written permission of the MDCC. All recreational equipment must be located in the buildable area of the lot at least 10' from any neighboring lot lines.

Portable sports equipment such as basketball equipment, sports nets, ball returns, etc. must be stored inside when not being used. Portable basketball goals must be painted the trim color of the house.

Newly-installed basketball equipment must be ground-mounted and may be painted black, dark forest green or the trim color of the home. Transparent glass or acrylic backboards are permitted and do not need to be painted. It is prohibited to mount basketball backboards on the home or garage. If pole padding is desired, it must be the trim color of the pole, or removed from the pole and stored inside whenever not being used. Ball return nets and lighting systems are not permitted on the basketball unit.

The following list is designed to assist you in preparing to submit an application to the Muirfield Design Control Committee and is in accordance with the Muirfield Design Standards:

1. Written approval from the Muirfield Design Control Committee must be obtained before installation begins.
2. Submit two complete applications including pertinent drawings and brochures to the Muirfield Design Control Committee prior to starting this project.
3. Provide a site plan of property showing the footprint of the house on property, no-build lines, property lines, easements, and other applicable information. Indicate on the site plan the location of the basketball unit. It is prohibited to locate basketball equipment in no-build zones.
4. Basketball units must be ground-mounted. Basketball goals mounted on the house are prohibited.
5. On newly-installed units, the entire unit, including the pole, mounting bracket and backboard, both front & back, may be painted black, dark forest green or the trim color of the house. Logos must be removed from the unit or painted over.
6. Clear acrylic or glass backboards do not need to be painted.
7. If padding is utilized, it must be the same color as the unit or removed when it is not in use.
8. Ball returns and lighting systems are prohibited.
9. Portable basketball units may be black, dark forest green or painted the trim color of the house **and** stored indoors when not in use.
10. Provide photos of the area where the unit will be located.
11. In some cases, landscape materials may be required to provide a barrier between neighboring properties.
12. Provide design review payment of \$ 20.00.

If you have any questions, please contact the Association office, 614-889-0922.
